Geeno's Restaurant Review

My friends and I decided to try out a new Italian restaurant called Geeno's. It was conveniently located in Paradise Mall. It was fairly busy when we arrived. The place seemed popular with the younger crowd. The ambiance was cosy and comfortable with small lamps on each table covered with a red and white checkered cloth. The menu was purely Italian with a variety of pizza and pasta choices. We ordered an extra large pepperoni pizza with extra cheese, and a big enough to share ravioli pasta with feta cheese. For drinks, we had Coke.

The food came within 15 minutes. The brick oven pizza was to die for and the pasta was al-dente and melted in our mouths. The total bill came up to RM 88 which was not bad at all. The wait staff were quick, polite and always had a ready smile on their faces. I give Geeno's four out of five stars. We enjoyed our meal and will be definitely back for more.
